The undersigned respectfully reports to His Honor the Lieutenant-Governor in Council.

That the appropriation for Legislative Printing and Binding has been exhausted, owing to the large amount of Printing in connection with the last Session of the Legislative Assembly.

That the ordinary printing was unusually voluminous and that exceptional work to a large amount was performed.

For example, among other exceptional items, I might name the following: printing the new rules of Division Courts, cost \$971.55, the volume entitled, "Schools of England and Germany," cost \$558.83; the special edition of the "Ditches and Watercourses Act," cost \$448.47; the "Report of the Commission on Natural Gas," cost \$385.33, etc.

From this time forward there will be a considerable reduction in the cost of paper, the new contract with William Barber & Bros., being a very much better one for the Government.

O. c. 116, s. 136 (3), the salaries of the Local Masters of Titles are to be “fixed from time to time with reference to the amount or probable amount of the business.” Accordingly, the amount each year is fixed with reference to the business of preceding year, and to the fees collected by them and payable into the Consolidated Revenue Fund. These fees aid in fixing the value of the work done at the request of private parties after registration of patents. The first registration of patent is done at the request of the Government, free of charge to the patentees, unless where they have encumbered their land. The fees collected from the parties in 1894 were, Sault Ste. Marie, \$819; Parry Sound, \$325.60; Bracebridge, \$163.60; Port Arthur, \$; North Bay, \$263.80; Rat Portage \$395.35.
